

Fairfield Glade Phone Directory

An independent publisher provides a free Phone Directory for Fairfield Glade. Listings include name, address and a phone number of your choice. It can be either a land-line or cell phone number.

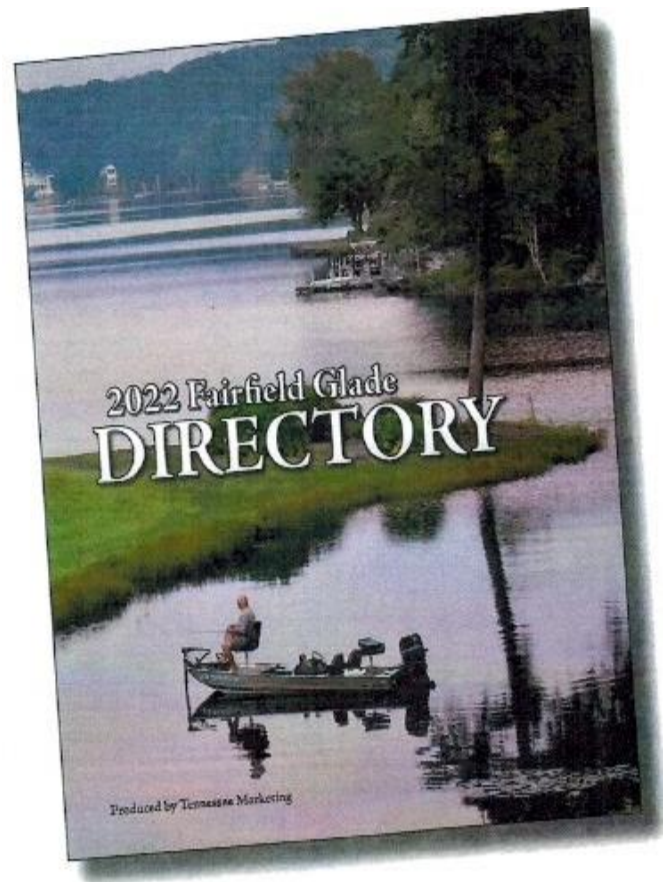

The directory is updated each spring. To be listed in the directory or make changes to your listing, you must send an email to the publisher.

When a new edition is available it will be announced in the local newspapers. Distribution will be held at the Village Green Mall.

Residents can get one free copy (per household) of the most recent edition of the Directory at **Fairfield Glade Resident Services (FGRS)** office located on Peavine Road just behind Dollar Tree. FGRS is open Monday thru Friday from 9 a.m. to noon.

To ensure the accuracy of the listings, it is asked that all NEW residents send an email to sign up to be included in the next edition:
